

# A PHOTO SAFARI IN THE TROPICAL FOREST

For Teachers

## HOW DOES THE STORY END?

Read this story to the children and ask them to come up with an ending for it, either aloud or in writing, based on the pictures. All ideas are welcome—they can let their imaginations run wild!

## STORY

### “ UNAU THE EXPLORER MAKES SOME DISCOVERIES ”

**T**he tropical forest is a wonderful place, full of plants and animals of all shapes and colours. Unau the explorer loved nature. He had just arrived in Brazil, and was hoping to explore a tropical forest. Accompanied by a guide and with his trusty camera, he ventured into the hot and humid forest. The trees were enormous. The plants in the underbrush had huge leaves. Ever so carefully, he walked along. He breathed in the strange odours and heard some odd sounds. Suddenly...
