Panoramic room  
1 940 sq. ft. (180 m²)

Located on the 5th floor, this scenic exposition modelled with ceiling to floor windows displays a spectacular view of Jean-Drapeau Park and the City of Montreal. A system of blackout shades and curtains allows the room to be darkened according to your needs. When the weather permits, your guests can also enjoy the terrace (non-smoking) which surrounds the room at 270 degrees and overlooks the island of Sainte-Hélène. In addition, the architectural lighting of the geodesic dome will add a unique touch to your evening events.
