Henry-Teuscher Auditorium

This large elegant Art Deco auditorium is wonderfully suited to cultural and corporate events (concerts, talks, awards ceremonies). The facilities include a 60 m² stage and sophisticated technical equipment for all your sound and lighting needs.

Capacity and access

- 282 seats (fixed and numbered)
- Space for 3 wheelchairs

The auditorium has three entrances: two on the sides, at the front, and a central one at the rear.

The stage

- Width: 48 pi (14,63 m)
- Stage frame width: 31 pi (9,35 m)
- Depth: 19,8 pi (6 m)
- Height (under light grid) : 16,4 pi (5 m)
- Stage height: 2,6 pi (0,76 m.)
- Hardwood floor
- Black back curtain – movable
- Black border with legs – fixed
- Two separate entrances (stage left and stage right)

Please note that there is no access ramp to the stage.

Dressing room

Subject to availability.

- Outside the auditorium (stage left)
- Room up to 4 persons

No bathroom nor sink in the dressing room.

Available furniture

- Lectern
- Stage 4' x 8'
